

WALLACE STATE HANCEVILLE

9 June 2009

Press Release

Short-Term Robotics Class Begins June 30 at WSCC

HANCEVILLE, Ala.--Wallace State Community College in Hanceville will offer a two-week, 8-hour course in Basic Motoman Robotics Tuesdays and Thursdays, from 6-8 p.m., June 30 through July 9.

Basic Motoman Robotics is an introductory course. No experience with robots is required. By the end of the course, participants will be able to identify and operate a robot arm, understand the functions of components in the control cabinet, navigate menus of the programming pendant, and conduct simple job programs and identify and operate the robot's universal inputs and outputs.

The course will be taught by David Minor, who holds bachelor's and master's degrees in electrical engineering from the University of Alabama. Registration is \$500. The deadline to register is June 22, and class size is limited. For more information, contact Staci Bryan at 256/352-8166.
